Re: Gustavo Gualpa v. New Hari Auto Care Inc., et al.;
Docket Number 21-CV-2611-BMC

Your Honor,

I was recently retained by the Defendants in the above-referenced matter. I write on behalf of the parties to jointly request that the initial conference scheduled for June 22, 2021 be adjourned by two weeks and that the associated deadlines for the completion of a Case Management Plan and automatic disclosures be adjourned. The reason for this request is because I was recently retained by the Defendants to represent them in this action and had an unforeseen family emergency that prevented me from being formally retained and meeting with my clients. I have discussed this case with Plaintiff's counsel and we both are in agreement to have the case referred out to mediation to try and resolve the case through settlement. For all of these reasons, and so that I can gather as much information from my clients in order to fully represent their interests at the initial conference in this case, the parties respectfully request that the conference be adjourned. Please be aware that Plaintiff's counsel has a conflict on June 29, 2021 if that date were to be selected by the Court. I thank the Court for its attention to this request.

Respectfully submitted,

Michael P. Kushner, Esq.
